

Healthy Families, Healthy Communities

You are Invited – Hmong Community Members

Sib Koom Siab

**West Side Community Health Services
(La Clinica) & Neighborhood House**

invite you to participate in a unique dialogue that seeks your opinions, perspectives, and experiences as part of an initiative aimed to improve health. Your participation will help make certain that this initiative results in improved health, more effective services, and honors your cultural traditions. This health initiative is intended to be an ongoing partnership between you and your community, health care practitioners and researchers which promotes mutual learning to achieve better health.

A light buffet will be served
