

## HOW TO LISTEN TO THE PSTL1135 PODCASTS

**To listen to an audio file on your computer:** Simply click on the class lecture link on the PsTL 1135 [class blog](#). The file will launch and you will be able to listen to it right on your computer.

**To download an audio file to your computer:** On a PC, right-click (use the right button on your mouse) on the file link and choose "Save Target As..." Save the file to anywhere on your hard drive. On a Mac, right-click the link and choose "Download Linked File." Save the file to anywhere on your hard drive.

**To download the file to your portable player:** Drag the link to the course lecture recording to iTunes. You can place it in your library or move it directly to your portable media player's library.

**To subscribe to our podcasts and automatically have new content downloaded to your portable media player:** If you are using iTunes, choose Advanced > Subscribe to podcast and add this URL: <http://blog.lib.umn.edu/msjensen/pstl1135/index.xml>. If you are using Juice, choose Tools > Add a Feed and add this URL: <http://blog.lib.umn.edu/msjensen/pstl1135/index.xml>.

Once you add the podcast, it will automatically check for updates when you run the program.
